FRONTIER SALES GRAND OPENING

Dan and Renee Glazier know how to throw a party. It would appear that they and their customers are very excited about their new and huge space at 3313 Danforth. The furniture and décor pieces are still the same as always – excellent values and great finds – but the 12 000 square feet, huge parking area and entertainment area makes it so much more of a good thing. The building is not new to parties as it used to be Caesars strip club. It has been transformed and one of the few things remaining are a couple of the bar areas to facilitate a wonderful evening like this one. Hundreds of people joined in the fun, shopped the 2 floors and enjoyed the great food provided by Mayette's - who have just opened their new location down the street at 3331 Danforth. Great party guys and an event worth celebrating.

HAPPY HOLIDAYS

You can show your CARE by extending seasonal greetings and supporting Toronto East General Hospital

Now entering its third year, TEGH's Holiday Card Campaign brings together the artistic talents of local students in support of their Hospital.

Each year, hundreds of local residents send TEGH cards to friends and loved ones. These distinctive cards are also a unique way for local companies to support TEGH while wishing their employees, customers, partners and suppliers a happy and healthy holiday.

*Packages of 13 assorted cards can be purchased for \$10.
